Seminar on Community-Based Participatory Research (CBPR) and Ethics

Topics covered:
• Overview of CBPR and local application
• Experiences conducting CBPR in Little Haiti and other poorly served enclaves in the United States and abroad
• Ethical issues in CBPR

Dr. Erin Kobetz

Dr. Kobetz is the Vice Provost for Research and a Professor in the Departments of Medicine, Public Health Sciences, and Obstetrics and Gynecology. She also is the Associate Director of Population Science and Cancer Disparities at UM's Sylvester Comprehensive Cancer Center (SCCC), as well as the Chief of Population Health and Cancer Disparities for UHealth Oncology Service line.

Dr. Victoria Behar-Zusman

Dr. Behar-Zusman is a Professor in the School of Nursing and Health Studies. She directs the School of Nursing and Health Studies' Center of Excellence for Health Disparities Research: El Centro, and is a principal investigator of the NIH-funded Center for Latino Health Research Opportunities: CLaRO. She is also the incoming Director for CHARM's Developmental Core.
