SECTION 1
PRINCIPAL INVESTIGATOR (PI) INFORMATION

Last Name

First Name

Middle Name or Initial

C Number

NIH eRA Username

Phone Number where we can easily reach you for clarifications
(You may enter more than one)

UM Email Address

Primary Department

Division (If not applicable, enter N/A)

Degree(s)- Check all that apply

MD PHD Other

If other, please specify

SECTION 2

COLLABORATORS, OTHER SIGNIFICANT CONTRIBUTORS, and MENTORS

Co-Investigator 1: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

(Note: A Co-Investigator is someone with a key role in the project.)

Co-Investigator 2: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

Co-Investigator 3: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

Significant Contributor 1: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

(Note: Other significant contributors are typically investigators contributing a key element/expertise to the project but not necessarily a mentor.)

Significant Contributor 2: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

Significant Contributor 3: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

Do you have a mentor?

(Note: Mentors are typically senior investigators responsible for advising the PI during the project. Applications submitted by junior investigators at assistant professor level, researchers new to HIV/AIDS and mental health research and post-doctoral fellows require a mentor to be listed on their project.)

Yes No Not applicable

Name and Department / Division of Mentor(s)

If you do not have a mentor, would you like assistance with identifying a mentor?

Yes No

SECTION 3

PROJECT INFORMATION

Proposal Title

Identify the proposed community partner(s) or agency(ies).

(Note: The chosen community partner/agency should be engaged in the design and execution of the project as well as in the interpretation and publication of findings. Community partners can be engaged at varying levels from a consultative role to community-based participatory research. The full application must include a letter of support from the community partner or agency.)

RESEARCH ABSTRACT (MAX. 300 words)

Briefly describe the proposed objective, study design and target population. Explain the rationale for the proposed work.
