_____

NIH eRA Username

_____

Phone Number where we can easily reach you for clarifications
(You may enter more than one)

_____

Email Address

_____

Primary Department

_____

Division (If not applicable, enter N/A)

_____

Degree(s)- Check all that apply

☐ MD   ☐ PHD   ☐ Other

If other, please specify

_____

What is your current title/position?

○ Post-doctoral Fellow
○ Assistant Professor
○ Other

If other, please specify

_____

SECTION 2
COLLABORATORS, OTHER SIGNIFICANT CONTRIBUTORS, and MENTORS

Co-Investigator 1: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

(Note: A Co-Investigator is someone with a key role in the project.)

_____

Co-Investigator 2: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

_____

Co-Investigator 3: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

_____

Significant Contributor 1: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

(Note: Other significant contributors are typically investigators contributing a key element/expertise to the project but not necessarily a mentor.)

_____

Significant Contributor 2: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

_____

Significant Contributor 3: (1) Name, (2) Department & (3) Role in this project (Max. 20 words)

_____

REDCap®

Do you have a mentor?

(Note: Mentors are typically senior investigators responsible for advising the PI during the project. Applications submitted by early-stage investigators, and post-doctoral fellows require a mentor to be listed on their project.)

Reminder: If you are outside the University of Miami, you will need to have a CHARM mentor or Co-Investigator.

◯ Yes   ◯ No   ◯ Not applicable

Name and Department / Division of Mentor(s)

_____

If you do not have a mentor, would you like assistance with identifying a mentor?

◯ Yes   ◯ No

SECTION 3
PROJECT INFORMATION

Proposal Title

_____

Identify the proposed community partner(s) or agency(ies).

(Note: The chosen community partner/agency should be engaged in the design and execution of the project as well as in the interpretation and publication of findings. Community partners can be engaged at varying levels from a consultative role to community-based participatory research. The full application must include a letter of support from the community partner or agency.)

RESEARCH ABSTRACT (MAX. 300 words)
Briefly describe the proposed objective, study design and target population. Explain the rationale for the proposed work.
